up to...

revolution

The Revolution starts with YOU

What's your name?

Where do you live?

What is your age?

What do you do?

Who's in your life?

What kind of support system do you have?

What are your favorite things about your life?

What are you struggling with personally and professionally?

How are these struggles effecting you?

revolution

YOUR Revolution (cont.)

Why is it time for you to help yourself?

How do you feel about do this work and moving forward in your life?

How do you feel about financially investing in you?

How are you feeling right now while you're answering these questions? Just curious ;)

Now for the misc...

Your email address?

Your phone number?
